

## SET OF 3 COUPLERS

### Description :

- Allows use of square drivers smaller than socket drive sizes: - 1/4" square drive + D.169RJ --> 3/8" socket. - 3/8" square drive + D.169JS --> 1/2" socket. - 1/2" square drive --> 3/4" socket.
- Compactness means that fewer tools are needed for in situ maintenance operations.
- Magnetic retainer and locking system (JS and SK).
- Knurl allows hand tightening where access is difficult.
