

MICRO-TECH® DIAGONAL CUTTER FOR DIP - CMS COMPONENTS

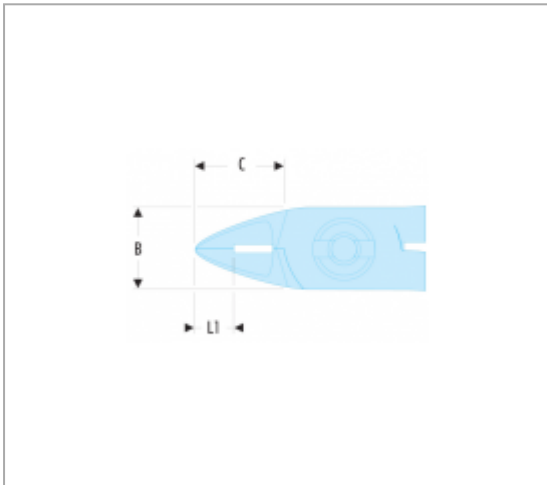

Standards :

NF ISO 9654, ISO 9654, DIN ISO 9654, ASME B107.500

Description :

- These pliers provide access between two legs of "DIP" components with a 0.65 mm gap. As they are extremely thin, these pliers can be used only for this function. • Cut: flush.
